- C++
- C# (not an expert)
- Python (not an expert)
- Android App Design and Development
- iOS Development (NOT an expert)
- UI/UX Design
- Git and GitHub
- Open Source Software
- Agile Development
- Material Design

## ACCOMPLISHMENTS

I began learning to program around the age of 12 or 13 with a book on C++. I'm entirely self taught, with a few classes to strengthen my knowledge and prove myself. I'm also a snowboarder, and I play the drums.

## EXPERIENCE

- |                    |   |
|--------------------|---|
| 07/2015 to Current | Mobile Solutions Developer<br>SkillFitness, LLC® — Minneapolis, MN<br>Android, iOS, and Backend (ASP.NET) developer. Helping professionals reach their full potential through training, collaboration, and self-discovery. And adapting the product to other professional fields. |
| 06/2015 to 07/2015 | Contracted Android Developer<br>SkillFitness, LLC® — Minneapolis, MN<br>I was brought in as a contract worker to bring their platform from only iOS to Android.   |
| 05/2013 to 05/2015 | Lead Android and iOS Developer<br>Ricco Solutions, LLC — Bloomington, MN<br>I developed Android and iOS mobile applications using Java and Objective-C. CoupCash was one of the apps our clients brought us in for.   |
| 11/2012 to 01/2012 | Sandwich Artist<br>Jimmy Johns — Minneapolis, MN<br>I made sandwiches, operated the cash register, answered calls and took orders over the phone. I also helped keep the shop clean by sweeping, mopping, wiping tables, doing dishes, etc.                                       |
| 11/2011 to 01/2012 | Stocker<br>Lush Fresh Handmade Cosmetics — Bloomington, MN  |

I organized stock in the back room and brought it out to the main customer area when certain products needed to be restocked. I also did a little bit of cashiering.

## EDUCATION

2014

High School Diploma

Central Senior High School — St. Paul, MN

I took AP Computer Science, Digital Imaging, Calculus, Web Design, and Mandarin Chinese.

Computer Science and Applied Math

University of Wisconsin-Stout — Menomonie, WI

I only attended for one year after high school. I took Calculus I, Computer Science II, and Data Structures & Algorithms.
